

# **Elderberries June Newsletter**

As summer comes into view, we can only hope that things begin to get warmer. A great way to celebrate this time of year is to take in the fun of coming together at our monthly Potluck Socials.

### The Elderberries

Are you finding club music too loud and too fast? Does it seem far too long since you saw old friends, or met new ones near your own age? You may be looking for a group like the Elderberries. The initiative behind this group comes from the Nova Scotia Rainbow Action Project's Elders Committee, and the Group's objective is to provide a social get-together for LGBT people aged 50-plus while at the same time giving the group information and support on subjects specifically related to LGBT elder issues.

We will meet at Northwood Manor (2615 Northwood Terrace) on Sunday. June 11, 2017 from 2:00 pm to 4:30 pm. Our Potluck Social is open to all LGBTTQ people aged 50 and over and families, friends and supporters. It is a great way to meet people you know and meet other members and guests. Not a member? It's easy to join. There are no fees for membership. Become a member of an active social group of GLBTTQ people. These meetings take place at the Penthouse. Press P on the elevator and when the doors open you are in the room. For the Potluck, please bring something you would like to eat and share. Home-made and store bought items are welcome. Full kitchen facilities are not available, although there will be tables set up close to electrical outlets if you bring something that requires heating up. Please bring any utensils that your dish requires. If you do come to the Potluck please remember to bring an item or items that can be shared with the group. If you are wondering if you should bring a main dish or sweets, it is best to bring a main dish (example: casserole, plate of sandwiches etc.) we do seem to have more than enough sweets brought in so if you are wondering what to bring, go with a main dish. Remember- no scents, peanut based foods, alcohol or garlic flavoring because of allergies. Pets are not welcome with the exception of service dogs. Northwood is a wheelchair accessible facility. There is paid parking directly across from the building. We have started a donation can to be passed around at our potluck lunches to help us pay for programs in the future. We will keep you posted on what this money will be used for. Please do not feel obliged to contribute but if you wish to do so than we thank you in advance.

### **Potluck Topic:**

This month's topic will be Downsizing and Spring Cleaning. Come out and share tips for downsizing and organizing your home for the summer months ahead. Patty Shaw has offered to be a guest speaker at this event.

Last month's Potluck topic was Being Gay in the Military. We were all pleased with the turnout for this important topic. We had three guest speakers lined up to present and their submission was excellent. We also had a guest who also participated in the discussion who was well received by the group. David spoke of his experience of being in the Navy. He spoke about what barriers he is still encountering.

Thank you to all our guest speakers for a day of sharing and learning.

Carolyn...she is quite shy and not into making a grandstand, but she did very well. Her words where riveting to say the very least and she threw in a GREAT sense of humour. She was good...her story was amazing...as was Darl's, who also read a bit from her long time ago book she wrote. Great words! Then the two men spoke of a different side in the Navy today .Dale was a bit more boisterous and positive, but felt there was some major changes in the last 15 years or so. The other, David, still in the military, is a Steward serving others on board the ships. He signed up for 30 years. He had already been assaulted at least 4 times. He said things are changing but much to be done He was amazing. David was extremely well spoken, and got a huge laugh when he started out saying he almost called us the "cranberries". He was so respectful. He seemed to feel comfortable with the group, and we would like to see him return.

There were 22 folks at the meeting...all appeared to be very much present...no complaints...We raised \$71.40, so a big thank you for your monetary support.

## **Reciepe of the Month:**

# Anita's Fruit Dip

#### Carnation 5 minute fudge

2/3 cup undiluted carnation evaporated milk

1 2/3 cups sugar

½ teaspoon salt

1 ½ cups packed miniature marshmallows

1 ½ cups Bakers chocolate chips (one bag)

1 teaspoon real vanilla

½ cup chopped nuts of choice

Mix Carnation, sugar and salt in a sauce pan over medium heat. Heat till boiling then cook for 5 minutes stirring constantly.

Remove from heat add all other ingredients and stir for 1 to 2 minutes (until marshmallows melt and everything is incorporated).

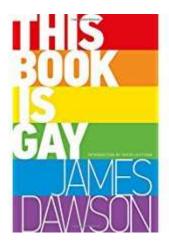

Pour into a buttered 9 inch square pan.

Cool then cut into squares.

Freezes really well after cutting

#### Book of the month:

This book is for everyone. The book that every LGBT etc. person would have killed for as a teenager, told in the voice of a wise best friend Frank. This book is warm and funny.

**News:** A new survey claimed that "gay community is racist".
