

BITTERSWEET(Rumi)

In my hallucination
I saw my beloved`s flower garden
 In my vertigo
 In my dizziness
 In my drunken haze
Whirling and dancing like a spinning wheel
 I saw myself as the source of existence
 I was there in the beginning
 And i was the spirit of love
Now i am sober
 There`s only the hangover
 And the memory of love
 And only the sorrow
I yearn for happiness
 I ask for help
 I want mercy
And my lover says:
Look at me and hear me
 Cause i am here just for that
 I am the moon and your moonlight too
 I am your flower garden
 And your water too
I have come all this way for you
 Without shoes or shawls
 I want you to laugh
 Kill all your worries
 To love you
 To nourish you
Oh sweet bitterness
 I will sooth you and heal you
 I will bring you roses
 I TOO HAVE BEEN COVERED WITH THORNS
