4. Yes, you are a member of Elderberries!

If you have received this newsletter, you are a member of Elderberries, a province-wide organization open to any member of the LGBT community aged fifty or more. We occasionally get queries about partners who are a mere 49 and a half. We follow a strict policy of "Don't ask, don't tell." You will be fifty soon enough.

Moving away? Our email newsletter will follow you, if you wish.

Re typos : you wouldn't think a one-page newsletter would have typos, would you?
