Hello cherished Elderberry!

## **August Elderberries Event**

Your August Elderberry event is on Sunday, August 11th: a play by our own Hugo Dann!

*My First Last Waltz; The Queer Ages of Hugo Dann.*

Using the words and music of much smarter people: George Harrison; Walt Whitman; Donna Summer; William Shakespeare; Frank O'Hara; Tennessee Williams; Cole Porter, and others; Hugo connects the dots in a life lived long as a queer actor and activist. Simulated sex, drugs, and rock 'n' roll. If that suits your parenting style, by all means bring the kids!

Where: The Company House, Gottingen St  
When: Sunday, August 11, 1:50PM  
Admission: \$5.00

There will be \*no\* Pot Luck component for this event but we are making up for that with a BBQ next month! There may be some social time at a nearby café after the event.

## **Upcoming Elderberries Events**
