Final Comments

Is there any other info you would like to share about your event?

is there any other info you would like to share about your event.

This is a free, casual socializing time. A chance to meet old and new friends. A chance for intergenerational stories and conversations.

Do you have suggestions of other ways Halifax Pride can support your event planning?

We need your help to advertise this event in the 2025 Halifax Pride guide. And to provide us an accessible venue with tables and chairs.
